Hello!

Thank you for taking the time to review my work. I always have the best time when I'm drawing. I love illustrating a variety of things and stories — more about them coming up next.

I'm from Finland

I love stories with a touch of the
unexpected and a spark of imagination...

with emotional depth and
heartfelt moments...

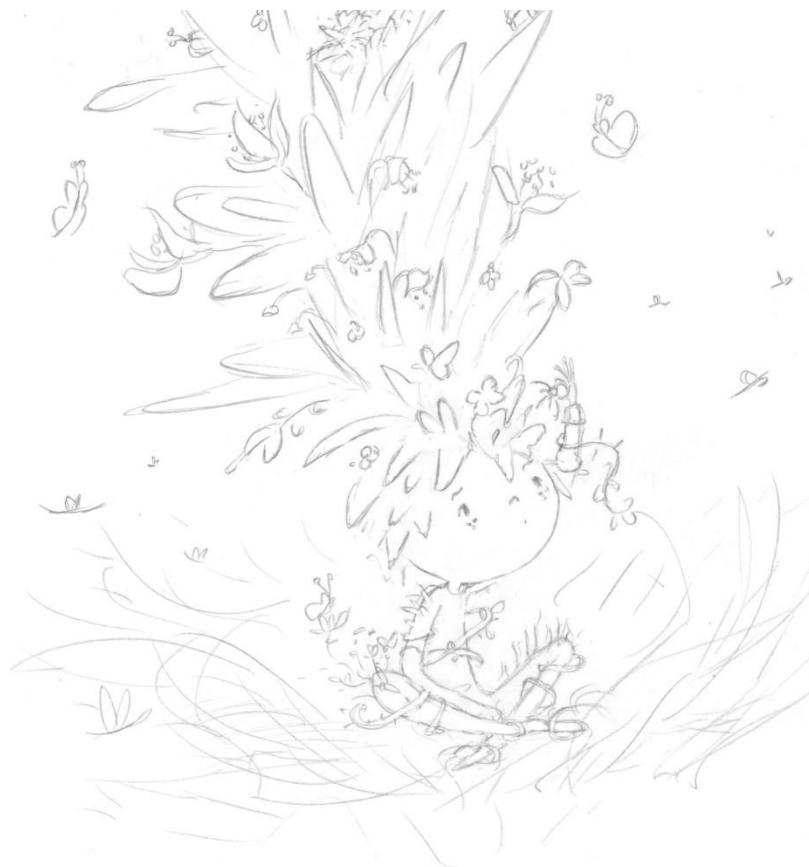

stories from children's everyday lives that
they can relate to and find comfort in...

...always with a touch of humor.

I sketch and draw with pencil on paper because I love the way it feels –
then I add color digitally.

I also enjoy working with ink.

Some of my favorite things to
draw are movement...

...children with their unique personalities

...and anything
dreamlike and
magical.

My Dream Projects:

- Mental health and sport themes
- Imaginative stories
- Siblings and friendship themes
- Wordless books
- Nature themes

Thank you for reviewing
my work!

P.S. Growing up, my life was all about figure skating — training and competing along the way.
