How amazing is it that I get to draw all day?! With each new project there is always something exciting and terrifying about making work that I pour my heart into and then put it out for all to see. So why do I do it? I create because I have to. If I don't, I feel annoyed, angry, or downright restless. Art is the definition of magic; with a few swaths of ink, pencil, or paint a blank piece of paper transforms and new worlds reveal themselves.
