Hello!

Thank you for taking the time to review my work. I always have the best time when I'm drawing. I love illustrating a variety of things and stories — more about them coming up next.

I'm from Finland

I love stories with a touch of the
unexpected and a spark of imagination...

with emotional depth and
heartfelt moments...

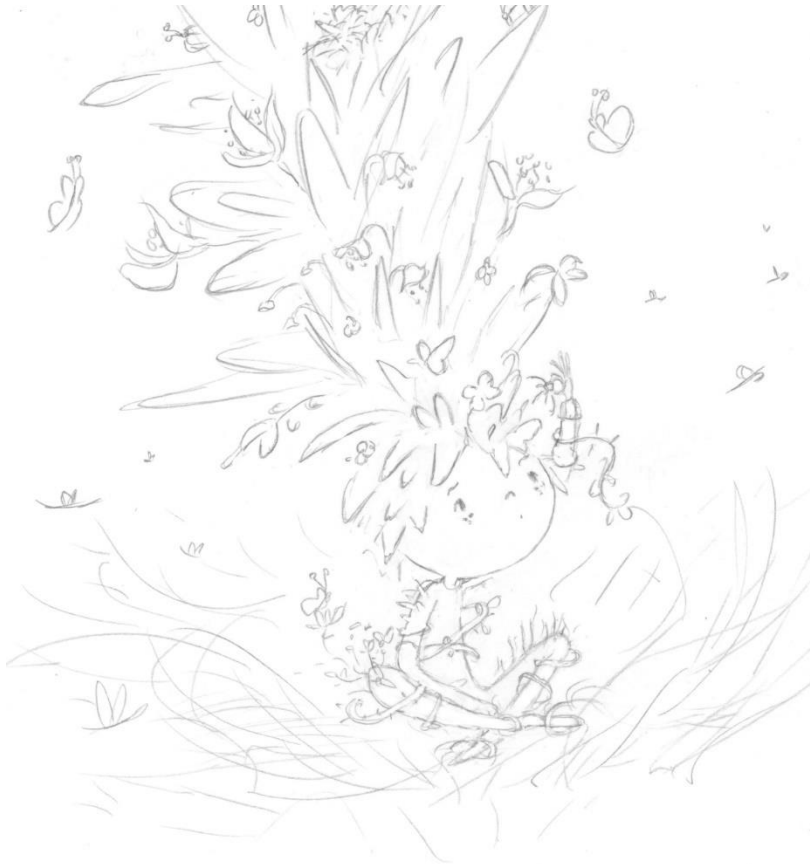

stories from children's everyday lives that
they can relate to and find comfort in...

...always with a touch of humor.

I sketch and draw with pencil on paper because I love the way it feels — then I add color digitally.

I also enjoy working with ink.

Some of my favorite things to draw are movement...

...details

...children with their unique personalities

...and anything
dreamlike and
magical.

My Dream Projects:

-  Stories with humor and emotional depth
-  Mental health and sport themes
-  Imaginative stories
-  Siblings and friendship themes
-  Wordless books
-  Nature themes

Thank you for reviewing
my work!

P.S. Growing up, my
life was all about
figure skating —
training and
competing along the
way.
